1-Day Success Camp Reveals

Amazing Secrets To Transform Your Life (For Good. Forever!)

Training conducted by Nishant Kasibhatla - Grand Master of Memory & World Record Holder

Have you ever felt that:

- you are not achieving all that you could?
- you are being blocked by some "invisible obstacles"?
- you could do much better in life (but don't know where to start)?

You are not alone! There are so many people like you in the world who feel the same way you do. What's interesting to know is, all that can be changed.

Quantum Success is proud to announce its flagship program: Success Camp. This is a 1-day workshop that will change the way you think about yourself. The workshop gives you insights into amazing ideas and skills which will help you to manage your life and achieve your goals most effectively.

Workshop Outline

- > 5 Key Components of Achiever's Mindset
- > How to turn your liabilities into your assets?
- > Self discovery on "Why you are, where you are today?" and "What is holding you back"?
- > Recondition your mind to conquer your beliefs which are holding you back.
- > The power of effective goal setting and how you can do it too

Quantum Goal Setting Exercise

How to come out of "I don't have time" syndrome?

Why traditional time management techniques don't work?

Exceptional Techniques to manage your most valuable resource - Time

Why do you forget and what you can do about it?

Learn what inspires your brain to remember or forget

3 secrets to awaken your memory potential

Be an Achiever

Be always focused on all your Goals

Enhance your Self-Esteem

Accelerate the process of accomplishing all your Goals

Break your limits and achieve all that you want in life

Live life fully. Be the architect of your life

Effectively utilize the Time

"Create" time for everything you want to do

Make sure you pay attention every time you learn

Eliminate absentmindedness forever and save time and mental energy

Improve your memory instantly. Remember to-do lists, speeches, jokes, shopping lists and more

Increase your energy levels and attain peace of mind

Training Methodology

Success Camp is a "One Day Intensive Workshop". You will not only learn various techniques but will also internalize them in the workshop itself. The trainers employ research-based powerful training methodologies to make the most of your learning process. This is one camp that will have a lasting effect on your life.

The trainer for Success Camp is Nishant Kasibhatla.

Nishant is a World Record Holder in memory and the only Grandmaster of Memory and International Master of Memory in Singapore. He is a popular trainer, speaker & author with over 12 years experience in conducting training for executives of multi-national companies, school students & individuals of all walks of life around the globe. Some of his corporate clients include: Citibank, Shell, Coca Cola, Philips, Petronas, Nestle, Maybank, LG etc.

Nishant has made appearances through various media channels like Singapore's MediaCorp's TV12 & 93.8 LIVE FM, India's Zee TV, Hongkong's South China Morning Post. More importantly, his main focus is on delivering unique, fun and highly effective talks, workshops and coaching programs.
