### [Savings of 80% on Mobile Calls](#)

MediaRing Mobile VoIP offers a revolutionary service that empowers mobile consumers with greater flexibility, mobility and most importantly, control. You can now decide how to place and route your local or international calls; benefit from the savings and without compromising your user experience. With MediaRing Mobile VoIP, users can enjoy rates starting from as low as \$0.02 per minute for international calls. In addition, when they travel overseas, the service helps do away with costly roaming charges.

Under your existing mobile plan, if your incoming calls are free, you can use MobileRoam to reduce your local outgoing call charges by as much as 66%. Likewise, you can use MobileRoam to make International Calls without incurring any mobile airtime charges. MediaRing offers the most competitive international call rates in Singapore, giving you savings up to 70%.
