Issue: # 18

August/2011

Dear Valued Customer,

Management Message

The management would like to thank our partners and customers for their continuous support. We are very glad to be able to support our Job Creation Programme for senior citizens and the physically challenged.

Let's welcome our new colleague, [Mr Edwin Chew](#) who recently joined ServeHope as a tele-sales marketer.

[International Medical Group](#) is organising *Health Talk (in Mandarin)* by *Dr Andy Sun*. Dr Andy Sun, world renowned Taiwanese expert in immunology will share with our fellow Singaporeans on his research using Chinese herbal medicine.

It has been clinically proven to be effective to inhibit the spread of cancer, the growth of new blood vessels around the cancer cell and tumor growth.

Blue Heron Health News

In Native American tradition, the Blue Heron is a Totem Animal for self-knowledge. Spiritual and physical health through self-realization and self-analyzing.

The Blue Heron is a lone hunter. It relies on itself and stands on it's own feet.

That is the purpose of Blue Heron Health News. To help you take responsibility for your own health. To stand on your own feet and improve your health using various natural methods taught in our guides and articles.
